

HOW TO APPLY FOR THE PACIFIC ENGAGEMENT VISA

First, prepare your documents. You need:

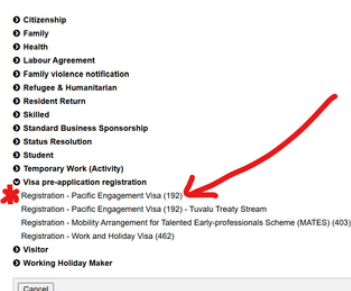

1. A valid (current) passport, preferably with at least six months before it expires;
2. A credit card or a visa debit card with at least K85; and
3. A list of your dependents (spouse and children under 18 years old) who you wish to take with you.

Log into your IMMI account to start the process – if you do not have an IMMI account, see instructions on the other guide.

On the home screen, select **NEW APPLICATION**

From the list of visa types, choose **Visa pre-application registration** (you will see it toward the bottom of the list)

Choose the first item: **Registration - Pacific Engagement Visa (192)**

The registration page will come up. Tick the four boxes at the top, then fill in the details requested.

MAKE SURE YOUR NAME AND PASSPORT DETAILS MATCH YOUR PASSPORT EXACTLY!! YOU WILL NOT BE ABLE TO CHANGE THEM

Provide a valid email address – if the email address is new to the Department, **you will need to reply to the email they send you within 30 minutes** so make sure you do not miss this step!

If you are helping someone with their application, just use your email address if that is easier (the one you registered the account with, that is already on file and it doesn't need to be checked)

Click **REVIEW** and check your information is correct, then **PAY AND SUBMIT**.

IF YOU SELECT SAVE, YOU WILL NOT BE TAKEN TO THE PAYMENTS SO PLEASE MAKE SURE YOU CLICK REVIEW.

Choose Credit/Debit Card and enter details to pay the \$25 fee. There is a small extra charge for the card processing.
